Jan. 14 - 1942

Dear Mrs. Marley:

Just got back from Pratic
found your letter waiting was
Very glad to hear from you I had
mailed you a letter this morn.
You can't believe every thing you
read now things don't seem so
bad down here we will finish
the season I am sure. the
season is suppose to close on
the 8 of March that is if we
don't win the second half we
are now tied for first place
if we don't win we will sail
on the 12 of March he in N.Y.
on the 17th of March but if any
change come up I'll let you
know. What I would like to

Speak to him any way Sunday. Oh
 Yes about Pearson I want to
 keep him to play first base
 that is if you dont have Red
 Moore. Pearson is a wonderful
 Ball player now he is showing
 plenty down here. his knee
 looks good they say he hurt
 it this pass summer. I
 think I told you this morn.
 that Ray so far is the leading
 Pitcher. the players I want
 may cost a little more but I am
 sure ~~not~~ in the end you will
 gain. Just think at the end of
 the season these players will
 cost say \$900²⁰ but every body
 will come out to see the
 Eagles and you know what
 that mean. Now when you
 go to the meeting see that
 all the teams play the same

do is get Barney Brown
 I want him and Hill for the
 Grap that is the point to stop
 the Grap and we will win the
 Championship hands down they
 say you have a nother left hander
 by the name of Bob Ford but
 get Barney Brown his tops
 send me about three contracts
 and I can sign them down
 here do this at once. I will
 talk to Lopez Sunday we
 play them this week. Well
 Write you again Monday.
 if you give me the job Manager
 I want to keep Mackey, when
 I come back I'll explain why.
 You see I was in Mexico
 when the draft came up I havent
 got any. I dont know for sure
 but I heard this boy Lopez
 is to play for Pompey but I'll

(21)

amount of Games and don't let the
Grays be playing all the weeks
clubs posey is smart he
always play the teams he can beat
but any team with a good
pitching staff he ducks that
team that is why he always
win one of the Halp. stop to
that in the meeting but if we
win the first half let him
fix the second half like he
wish because he will be
the drawing power. Please
answer me at once and
send me those three contracts
regards to Capt.

J. Reman.
